Hear former leading Radio Executive

Shane Healy

tell his story

Radio, Rex and Religion

Shane Healy has walked a fascinating path to the top of the highly competitive and cut-throat radio industry in Australia. He brings a dose of humility to his observations about leadership and culture and the way he has connected with high profile performers such as Brian Taylor, Neil Mitchell and Rex Hunt. At the peak of his career in radio, he put that all aside to join the Catholic Archdiocese of Melbourne in January 2015 as Director of Media and Communications. Shane has been married to Bernadette for 35 years and has three magnificent (by his own admission) adult children.
