

Rediscover God's presence and desire for your life.

The menALIVE men's weekend is an opportunity for men to explore what makes them truly feel alive.

During the weekend, menALIVE team will share their lives, the challenges they face, and the hope they have discovered in seeking to walk this journey with God.

Perhaps the most important thing the weekend offers is space for men to reflect and opportunities to share with one another about themselves and their lives.

The experience of the weekend is powerful and dynamic, and many men are inspired and encouraged with a new sense of purpose and mission.

The weekend is organised by men in your local community and conducted by an experienced team of menALIVE facilitators. It is suitable for men from 18 years of age.
